Introducing Simplicity.

Simplicity is the brand new way to lease your favourite Mercedes-Benz. It gives you the reassurance that you'll only ever pay a flat monthly fee for 36 months. The best part is, at the end of your term, simply hand back the keys*. And if you haven't had enough, get into a new model with a new lease and keep up to date with the latest technology and innovation. No depreciation or outlaying deposits here.

It's that simple.
